“Kone Taraz” (Taraz is city of artisans, the cultural capital of Kazakhstan)

The Organizers of this Exhibition – **The International Exhibition Company “Expo Group”** – one of the lead international exhibition companies, which has proven itself in organization and holding of regional exhibitions and fairs in agriculture and food industries in Kazakhstan and abroad, who is confident that Forum-exhibition “**KazAgro-Zhambyl**” will give a new impulse to development of favorable investment climate in this region, which in turn, will attract major global agricultural companies and manufactures, and create conditions for the diversification of the agro-economy. In addition, the Forum provides opportunities for concluding strategic agreements and memorandums between domestic entrepreneurs and foreign investors.

I INTERNATIONAL EXPO-FORUM

The choice of the Taraz city for this event fell out for a reason. Zhambyl region is a unique base of the industrial and agricultural sector, which has the potential of both industrial and agricultural regions, and has been showing stable growth in almost all sectors of the economy for several years.

ZHAMBYL REGION DATA in 2023

87%

of crop production

335 pounds

sugar beet

72%

phosphorites

102%

of livestock

270 pounds

of onion

I INTERNATIONAL EXPO-FORUM

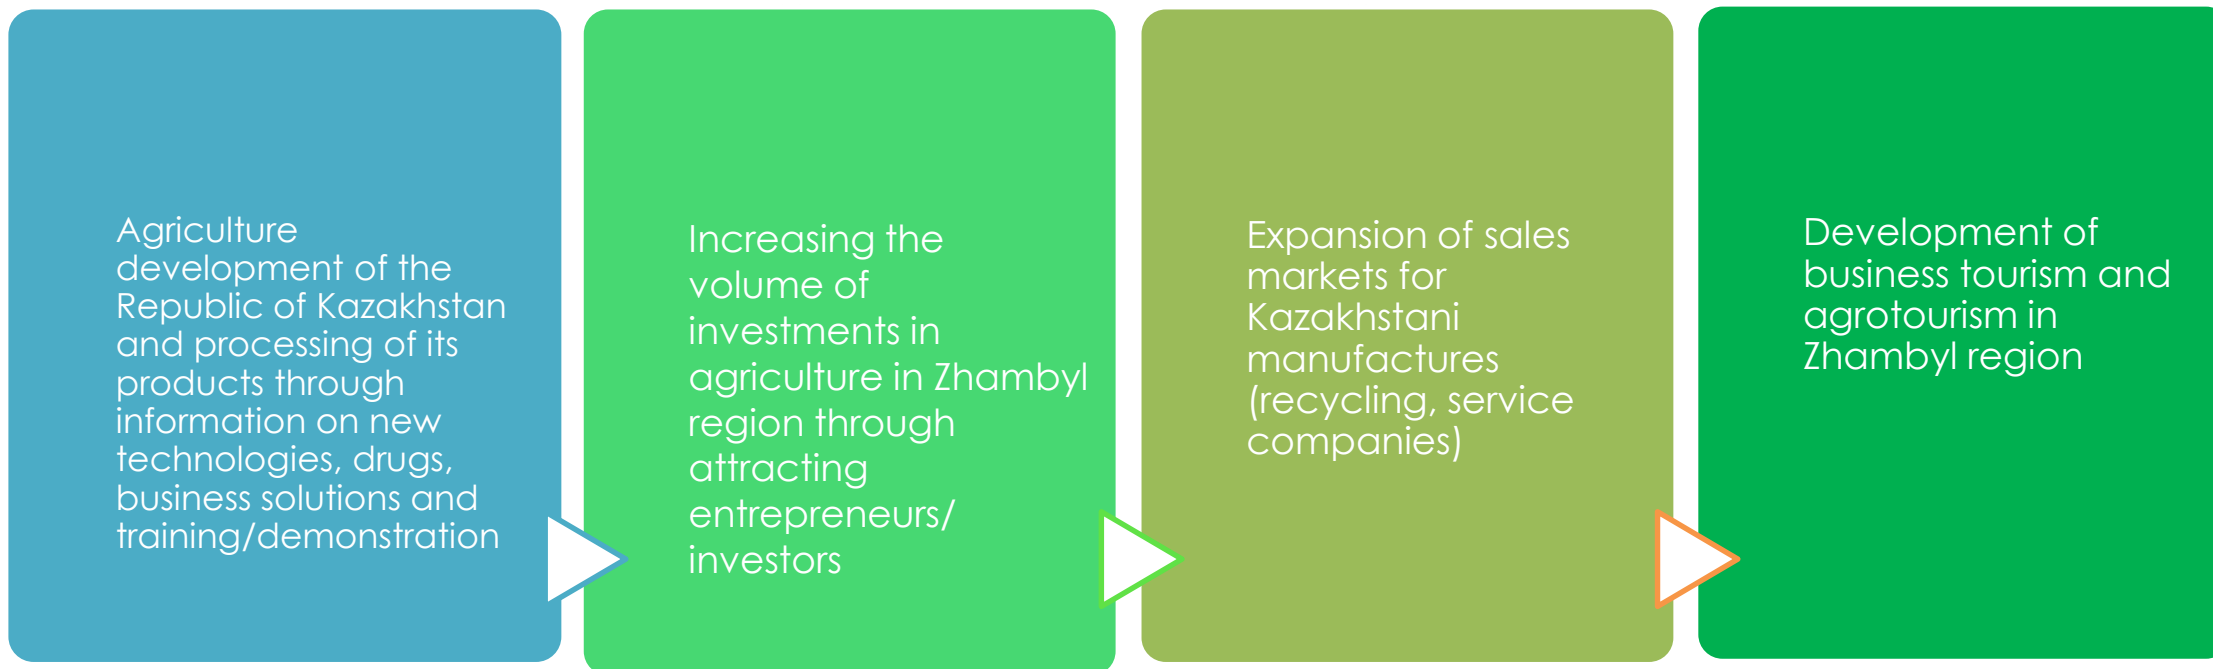

KazAgro Zhambyl - the 1st International Trade Forum and exhibition in Taraz will unite leading experts and industry representatives to discuss the recent trends and innovations in agriculture sphere. The forum-exhibition will include panel discussions, signing of memorandums, the best farmers competition and product exhibitions. Exhibitors-visitors will be able to meet with new partners and companies in agriculture industry, give an opportunity to share their experience and knowledge, as well as get the opportunity to attract investments. The forum-exhibition "KazAgro Zhambyl" promises to become one of the large-events which contribute to the development of the agro-industrial complex of the Republic of Kazakhstan in this region. This event will unite the Turkic states and the Economic Cooperation Organization in Agriculture and Food Industry, and will also allow celebrating Nauryz at the highest level. Kazakhstan will once again strengthen its international status in the agro-industrial complex.
